

TRCA?hosting garden seminars

Toronto and Region Conservation Authority series of garden seminar June 5 at Caledon Community Complex in Caledon East. It will run from 7 to 8:30 p.m., and the topic will be Creating Beautiful Gardens with Native Plants. Participants will be introduced to native plants that will add elements of colour and shapes to their gardens.

There is no charge for this seminar, but space will be limited. Those who are interested are asked to pre-register at www.trcastewardshipevents.ca, or by phoning 416-661-6600, ext. 5786.
